**BS SOFTWARE ENGINEERING** Univeristy of the Punjab Lahore

2021 – 2023 Sahiwal, Pakistan  
**F.SC PRE-ENGINEERING** Govt. Graduate College Sahiwal

## PROJECTS

### DocCure – Online Doctor Appointment Platform

A user-friendly web application where patients can book appointments with doctors online. Developed both patient and admin panel interfaces.

**Link** <https://doccure-frontend.up.railway.app>

### Doccure - Admin Panel

Built the admin dashboard for the DocCure platform to manage doctors, appointments, and patient records. Implemented secure login, data tables, appointment tracking, and CRUD functionality for user management, enabling efficient backend control over the healthcare booking system.escription...
